

In Memory Program is coming to Upstate New York

Saturday June 20, 2015

12:00 P.M. at the Veterans Park

Sullivan Street Wurtsboro New York

**The Guest Speaker will be Congressman Chris Gibson
19th Congressional District**

The In Memory Program is to honor our Vietnam veterans who have passed on from herbicide exposure or the end stages from PTSD

These Veterans are not able to have their names neither added to the wall nor awarded the Purple Heart because they did not die in the war but because of the war

“These Veterans Should Be Honored As Well”

If you have a family member who has passed from herbicide exposure or end stages of PTSD and would like to honor them, please contact Carol Olszanecki at (845) 210 7041 or Sullivan County Service Agency at 845-807-0233 for more information
