Legislative Agenda

118th Congress

The Military-Veterans Advocacy® Board has approved the following items to the MVA™ primary agenda for the 118th Congress:

1. Earlier effective date for Guam (Aug 15, 1958).
2. Herbicide benefits for Panama.
3. Herbicide benefits for Okinawa
4. Require a timeline for VA response to rulemaking requests.
5. VA benefits and Appellate reform including legislatively overruling *George v. McDonough*.
6. Return the Blue Water line to the theater of combat as existed prior to 2002.
7. O2 Project (partnership with Benjamin Ware Legacy Fund)
8. Cover dependents exposed to Toxic Exposures.
9. Presumptive benefits for Fort McClellan. Defer until study ordered by PACT Act completed.
10. Hyperbaric Oxygen Treatment for Traumatic Brain Injury.
